## APRIL SHOWERS BRING MAY FLOWERS

What a welcome relief all this snow has been! However cumbersome it may be to carry on with the normalcy of life in the white drifts, we'll be reminiscing upon these blizzardy days come June.

I love spring time. Life waking up after the winter sleep, brings on a fresh beginning kind of mentality. We've had quite the plethora of new beginnings at BUMC since January. Among those is the launch of the digital *Broadcaster*! A giant THANKS to our congregation for helping us transition. We're very excited to take advantage of all the possibilities that come with this launch. So keep your eyes, ears, and fingertips peeled as we continue to expand and improve our communication.

With the Lenten season in the rear view mirror, BUMC is looking forward to all the summer activities in the works. Check out all the committee happenings in the heart of this month's newsletter and mark your calendars. It's going to be a great summer!

## Times are Changing

When the Administrative Council met in January to start the new year, we found ourselves discussing many ministry ideas. You are reading one of those ideas. That's right, the Broadcaster was on that list. When exploring the possibility of a digital Broadcaster, we asked what would that look like? How would it work? How would people without an e-mail address or a computer for that matter, keep up on the news of the church? But the most exciting question asked that evening was "What are the possibilities of a digital Broadcaster?" This is the first month when we discover the answers to those questions.

This idea is really born of many motivations. The first is an issue of stewardship. The printed Broadcaster costs the church more than \$300 each month to print and mail to our growing membership. Printing them on the church machine takes its toll, costing more money for repairs and maintenance. That means \$3,600 every year was spent producing and distributing the Broadcaster. The digital version costs us nothing. Allowing us to use those funds to further the growing ministries of the church.

The second issue is one of format. We all know it. Technologies are advancing and creating so many opportunities to share the Good News with the world. Web sites, smart phones, and social media are transforming the ways in which we communicate. Inspired by the very successful transformation of our church web site, we have opportu-

nities to take advantage of the many talents in our congregation and new technologies to create a Broadcaster for the 21st century. With more and more young people finding God through the ministries of this congregation, we can produce a newsletter accessible in so many new and exciting ways.

The final issue may be on the minds of people uncomfortable with technologies. This move to the digital format will never keep you from having the familiar printed version. When you get the digital Broadcaster in your e-mail in-box, you will be able to print all or part of it. And if you alert the church office, we will print a paper version that you can pick up at church.

We want to make the Broadcast accessible to everyone and work with you to get the version which suits your needs. We have so many opportunities to be in ministry together and the pages of the Broadcaster help to keep you informed about all of them. It is a place to inform, recognize, and inspire the ministries of this vibrant congregation. By being good stewards of our resources and by keeping up with a changing world of technology, we ensure that our church will be ready to share the Good News for generations to come! Enjoy reading about it in your latest issue of the Broadcaster.

TIP YOUR HAT...

For Memorial day this year, we'd like to give our congregation the opportunity to honor the memory of a loved one lost in the great fight for freedom. Come witness as **BUMC's courtyard is transformed** into a patriotic salute to the memory of our veterans.

If you would like to honor the memory of your loved one, please bring an artificial wreath to the church by May 23. Please include a card with your name and telephone number with your wreath, as well as **the honoree's branch in the military.**

If you have any questions please call Lorrie Prince at (303) 589-4198.

Wreaths will be set for viewing May 23-June 3.

## Fellowship Team

Fellowship time after Sunday services is a vital piece of our congregation. In order to continue this ministry of fellowship, we are looking for individuals to join forces and create the BUMC's Fellowship Team. A team created to organize, set up, and clean up the goodies for the congregation each Sunday. Please, if you're looking to help serve and haven't had a chance to get to know our growing congregation, ask Pastor Joel for more information.

## Early Release Wednesdays CALLING ALL YOUTH

**WE DO HOMEWORK, CHOW DOWN ON SOME SNACKS, AND WORK  
ON MUSIC MINISTRY PROJECTS FOR A FEW HOURS EACH  
WEDNESDAY.**

**CALL THE FRONT OFFICE TO SCHEDULE A RIDE.  
DOORS OPEN AT 1 P.M.**

We continue to try new and different things each week to keep our kids excited and engaged. The youth are practicing a chimes and bells piece and will hopefully perform it in April. The Stickers looked at new routines and will start on those after spring break. We had our second volunteer day at South Elementary where we packed Totes for Hope and put together "Thursday Books" for the classrooms. Our trip to the Food Bank of the Rockies was a success and we will be starting to volunteer there soon. Come join us!

## SPRING CLEAN

Please save April 27 on your [calendar](#) to help spruce up the church for summer! Pews, air conditioner installs, swamp cooler preparation, and general landscaping items are on the agenda. Bring rags, drills, rakes, gloves, and lots of energy!

### WHAT A LITTLE PERSEVERANCE CAN DO

**It's amazing what can happen in 10 days!** On Wednesday, March 6, at Early Release Wednesday (ERW), Laveta Lowrey received a text message from her sister about a bus that Via Mobility was replacing, which means they were looking for a donor for the old bus. In less than an hour, Deb Friedholm was on the phone leaving messages and continued to do so over the next four days. On Thursday, March 14, I received a call from Via that our church had been selected to receive Bus #10, a 17 passenger bus! Et Voila! Praise God for his marvelous works! How exciting! This donation allows BUMC to provide transportation to church for our seniors who have mobility issues and a comfortable ride for our youth for mission trips. Get your thinking caps on because the possibilities are endless!

# Outreach & Congregational Care

What a blessing to receive the spring snow! Flowers are now poking their heads out and adding their special colors to our lives! Birds are chirping and with the time change behind us, it's time to gear up for summer!

Our youth continue to make us so proud! With rolled up sleeves, they sorted the totes and helped a couple of teachers with various projects for South Elementary on March 13th. We have offered to assist North Elementary with the Totes for Hope program, but they boldly declined our offer. However, it was agreed that if there becomes a need at North, we would try to accommodate the **need through South Elementary's** current program. On March 19th, Ed Cole made our first pick up for the Senior Tote's for Hope!

I would like to make mention that there is a reasonably priced, local bus service for seniors and others who may need a ride to the doctor, the senior center, to go shopping or whatever during the week. This company, Via, is how we were able to obtain

a bus for our church! Brochures and refrigerator magnets will be on the bulletin board regarding the available services Via has to offer. THANK YOU VIA!!!

Don't forget your non perishables for the grocery cart! There's always a need.

As life renews itself at this time of year, I would like to pause and give thanks for a few of those individuals from our congregation, who have recently went on to smell sweeter flowers with our Father. Bill Allen, Diane Pullman, and Bob Decker. Each has enriched my life in different ways and I am so grateful to have known them. They are deeply missed. I encourage you to take time and enjoy those special people in your life.

Peace to all,

# UNITED METHODIST WOMEN

Beth Hyde from Peaks & Plains, Greeley district chair of membership, nurture, and outreach was the guest speaker at the March UMW meeting. The title of the program was **“Seeing the Power of Sisterhood.”** She began by giving a brief review of her own life. Beth divorced her abusive husband because it was, **“a war zone in my house.”** Her husband was hurting the children by using them to hurt her. Her daughter developed a rare disease, a second daughter developed migraine headaches, and her son had asthma attacks because of this family’s disruptive life. **After the divorce, the children’s health improved.**

Beth went to college and was grateful to have received help from Rev. Paul Stone on campus. Over time he helped her realize that she was not the failure her abusive husband told her she was. Rev. Stone helped her children feel protected. Beth worked at Salvation Army’s Booth Home for unwed mothers and saw molested thirteen-year-olds give birth. After graduation she became a teacher and taught for 16 years at the McCurdy Charter School at Espanola Valley, New Mexico. The McCurdy School taught disadvantaged, abused, ethnic students and their mothers. She told UMW members about the cases she had experienced while teaching. Beth asked members, **“Do you know of a child who looks lost, won’t look up, stares at their hands when addressed? These are children who are troubled.”** She encouraged members to become aware of troubled children in the community and remind members that the purpose of the sisterhood of United Methodist Women is to help women and children. Beth went on to tell about the success of the McCurdy Charter School stating that 90 percent of the students

go on to college or trade schools or go into the military—one student was accepted at West Point. In 2011 Beth had to have a hysterectomy. The Methodist UMW in El Paso reached out with food and care for Beth and her children. She remembers how the UMW, acting together in sisterhood, poured out love, care, and generosity to her family when they needed it the most.

Vice-president Cathy Fiscus drew members attention to a child’s drawing in the prayer calendar of a snowman’s buttoned face. She read what Deaconess Valerie Mossman-Celestin, US director of Haitian Artisans, envisioned for Haitian women, **“The achievement of respect in equality, spiritual willingness to achieve Shalom...on earth as it is in heaven.”**

Cathy presented an article from the February 2013 Response magazine about a UMW celebration of sisterhood development in mission work. **“Like Jesus brought the good news of salvation-wholeness to all persons, UMW members not only become ‘whole-persons through Jesus,’ but are challenged to help make it possible for others to experience the same.”**

The next UMW meeting will be Saturday, April 6, at 9:15 a.m. The title of the program will be **“Telling the Story – Spiritual Growth”**, presented by Gwen Stieber. Refreshments will be served by Marilyn Ames. The next Esther Circle will meet April 23 at BUMC. Joan Hahn will host and Carol Franks will give the program.

# CHURCH COUNCIL

Happy spring! Daylight savings Time has arrived and once again heralding the upcoming long summer evenings! Before we know it new life will be popping from the soil, and we'll be into a season of warmth and summer activities!

## *April showers bring May flowers*

### CHURCH COUNCIL

April Meeting:  
April 17, 2013  
7:00 p.m.

Church Council was busy this month. The Boy Scouts Leader joined us to **update the church on all they've done in** the past year and their future happenings. They attended summer camp and were in service to Barr Lake. They offered the church their help because they are looking for community service projects. We agreed we could help them out with that! They thanked the church for sponsoring and making them feel so welcomed here.

Our youth are very busy! Early Release **Wednesday's are a huge success. Mel reported that they've had up to 14** youth in attendance! They are in need of snacks for the kids. If you are interested in sponsoring a snack time or two, please talk to Mel. Matt and Joel have started a Confirmation Class and

are planning a youth retreat at the end of April! Linda reported that VBS is **well underway! This year's theme will** be service oriented and ensured to be a great deal of fun! We are so grateful for the young people in our church and the leaders who are so devoted to them.

**'Spring Clean' will be coming up in** April as well. The main focus this year is on cleaning the pews. Concentrating the cleaning the pockets that hold the Bibles and Hymnals. If we all get together and take 2-3 pews, the work should be done in no time! There is spring yard work to be done as well as other projects. Put April 27<sup>th</sup> on your calendar and join us for a great day of fellowship as we serve the Lord through caring for our church facility.

We are looking at the exciting possibility of creating our own new **Church Directory!** Among Sarah's many talents is that of a photographer! We look forward to creating a new directory with a more relaxed photo session schedule. She will also be able to update the directory easily as new members come in or staff changes occur. This will keep it up-to-date. The members of Church Council see promise in this approach of using our own resources rather than bringing in a commercial company. Watch for details as this plan comes together! Sarah brings many wonderful talents to her position as Office Manager. Thank you Sarah!

**OCC reported that 'Totes for Hope' is serving 20 families at South Elementary and has taken on 15 Senior citizens.** Northeast Elementary is also excited about becoming part of this program. Another growing ministry!

ALF reported they will be sponsoring Worldfest on April 20 at 5 p.m. They ask members to bring a dish from their heritage for the potluck. Think of the wonderful variety of foods we could have! Rest assured, we welcome you bring your own favorite dish if you would rather. They are busy planning the celebration of our new **graduates on May 5, Father's Day on June 16, the July 4 Ice Cream**

Social, and the church picnic on August 25. Whew! They are a busy group! Les added that BUMC is having a Flea Market on June 8<sup>th</sup>. The preschool and Boy Scouts will be participating with us. More details to follow.

Rev. Joel reported that there are 30 people participating in reading the Bible through the year! He said that it coordinated nicely **with the History Channel's presentation of "The Bible."** He has also become the Chairman of the District Committee of Ordained Ministers. Rev Joel ROCKS, and we are blessed to have him.

**I want to add a "THANK YOU" to all of the wonderful people who make these things happen.** I want to close with a special thank you to everyone who is providing meals for our members who are currently ill. You are such a blessing to the individual families and to our church as a whole. What a great church family we have.

We send Blessings to all of you in this new season of growth,

Nancy Miller

**Stephen Ministry:** It is written in Proverbs 12:18 *“Reckless words pierce like a sword, but the tongue of the wise brings healing.”* All through the Bible we are reminded about the power of words. When God spoke, things happened, waters parted, day became night, locust swarmed the earth, and men stopped what they were doing and listened. God’s words promised healing, forgiveness and new life. As Stephen Ministers, we deliver God’s comforting words through what we say and what we do. Also, through listening we help the care receiver put their innermost feelings into words. This act of expressing their feelings can help them find healing and hope.

In module 9 we learned that one of the corner stones of this ministry is **“CONFIDENTIALITY”**. Without the promise that everything discussed between a care receiver and a care giver is confidential, the healing process will not happen. For a person to heal, they must be able to discover the core of their pain or sadness, and be able to talk about it with their Stephen Minister. Even in our twice-monthly training and reviews, that confidentiality is upheld. Words can easily harm us, or they can build us up. As a Stephen Minister we know and understand the importance of **confidentiality for God’s healing to happen.** We ask that you always respect us for our commitment to this promise.

We learned about **“Telecare, The Next Best Thing to Being There!”** in module 10. We have so many options of communication today. Could you imagine what it would have been like 2,000 years ago if Paul could have had a telephone available? **“Hello Timothy, this is Paul. I am worried sick about the Corinthians. How are they doing? Are they still fighting? Are their ministries still growing? Have they built any new**

churches? Tell them I said, **‘There is only one leader and that’s**

**Jesus, the rest of us are just his servants.’** Call me tomorrow and tell me what they said.” **Just think what Paul would have accomplished had he had an I-phone!**

Part of being a Stephen Minister is being available. There will be times when we, as Stephen Ministers, will need to speak to our care receiver, and times when our care receiver will need to speak to us. The phone can fill that need. We looked at the ways in which the phone conversation is different versus a conversation person. And looked at how to overcome these differences and still be effect in the healing process.

**“Using Mental Health Professionals and Other Community Resources”** from module 11 was interesting and informative about what a Stephen Minister is, what is expected from a Stephen Minister, and what we are qualified to do. I have been teaching about **how we don’t fix things, that God takes care of that.** You might say the definition of a **Stephen Minister is “a member of our congregation who has received special training to provide one-to-one Christian care to people in our congregation and our community who are experiencing grief, loneliness, divorce, hospitalization, disability, job loss, and many other life difficulties. We will listen, we will be there for you, we will walk beside you as Jesus does, and we will pray with you, as you heal in God’s name.”**

The training required to become a Stephen Minister is 50 hours or 17 training sessions. When completed, we are not lay pastors or lay ministers, we are not therapist or psychologist, and we are not counselors. This module teaches us there are times we may encounter challenges **beyond our training and it's ok to refer our care receiver to someone with professional training.** God gives each of us gifts to use to help others. The Stephen Ministry teaches us how to use those gifts and the knowledge to know when to seek a higher authority or professional.

In module 12 it became very apparent why **we all have answered God's call to serve.** "Ministering to Those Experiencing Grief" taught us there are three stages of grief: shock, recoil, and rebuilding. We discussed what care receivers are likely to experience in each of the stages of the grieving process. We discussed feelings of grief in our own lives, causing the use of many tissues.

We discussed several types of events that **can bring grief in a person's life and how to comfort and console that person.** We

revisited items discussed in module 2 about feelings. Identifying what a person is feeling, understanding the characteristics of those feelings and how to be there for a person who is grieving. We learned specific ways to care for grieving people in each of the stages of the grieving process. You could feel the power of Jesus Christ at work that night.

**A Caring Tip.....** If you know of someone who is facing one of life's challenges, call them up, stop by and have coffee with them. Then, just listen. That's all it takes to make a difference. We were called to be witnesses, not lawyers.

Remember, when you reach out to a hurting person, you are not alone. As Stephen Ministers learn in their training, Christ is at work in you and through you to bring hope and healing to the other person.

**GOD Bless,  
Terry Krayenhagen**
