Your help needed!

Let's fill the grocery cart!

We've had many people stop in for assistance over the last month. We were able to hand out most of the homeless kits, and food items from our cart, but the cart is close to empty! One of the best things we can offer people from our food cart is self opening canned foods. The tuna salad kits are also very helpful. One of our visitors also took one of the Bibles that I have now started placing in the lobby. God's work takes place all week long! Thank you for your help.
