If you are interested in taking part in the play, please contact Rev. Kershaw as soon as possible.

It's time to update your volunteer application!

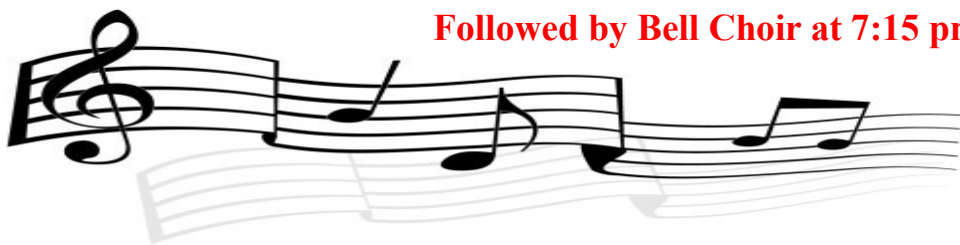

ALL adults who have an interest in volunteering in any capacity within any of our youth programs are required to complete a Volunteer Application and update that application annually. You are also required to watch our volunteer training video prior to joining a youth ministry. Please find links to both applications and the video below. You can submit your application to anyone on SPR or to the office – and let them know you completed the video training.
