Dear Brighton United Methodist Church,

You have graciously welcomed BSF class members to study God's Word in your church. Your partnership has made it possible for hundreds of thousands of men, women and children around the world to study God's Word for life transformation.

We sincerely appreciate your support of BSF.

BSF leaders and members are eager to return to meeting together again and look forward to the time when that will be possible. For now, we want to support you and your ministry teams. We understand that this has been a very challenging time for you as pastors caring for your congregations.

We are sensitive to the many responsibilities you face as you prepare to open your doors again for services and programs. BSF is prepared to begin our Genesis study year online using Zoom. We have agreed to continue this method until you are ready for the class you host to return.

We have asked the Teaching Leader of the class that meets in your church to coordinate with you for the best timing. We are praying that God will strengthen you and your leadership team and provide you great fruitfulness in this unprecedented season.

For the fame of Jesus Christ in the nations,

Dear Brighton United Methodist Church,

We are grateful for you. Your partnership with us allows so many in your community to experience life-changing fellowship over in-depth Bible study each week. Thank you for your commitment to provide a meeting place for our BSF class. We are committed to praying for you.

As churches in communities begin to regather in lieu of Coronavirus (COVID-19) regulations and restrictions and regathering protocols, our class has also been moving toward meeting together physically. Our goal is to support you, our host church, by strictly observing your regathering protocols in addition to those protocols in place by country, state and locale.

We are dedicated to continuing to provide in-depth Bible study around the world. We are grateful for the opportunity to return to your church for the Genesis study in BSF soon. We look forward to renewing and continuing our relationship with you at that time.

If you have any questions or concerns, please feel free to contact me at 720-251-5363.

For the cause of Christ,
